Art of Survival Century Bike Ride

The 3rd annual Art of Survival bike ride is set for Saturday, May 28, 2016. This event is intended to showcase the beauty, wildlife, agriculture and rich history of our communities. Many local individuals and non-profit organizations have joined forces to make this possible.

To participate choose your favorite route: a Century ride, a 45 mile ride, a 16 mile family-friendly ride or a 20 mile mountain bike ride. The ride passes through either Tulelake, Merrill, Malin or the Lava Beds National Monument. All road routes are light on traffic and have mostly flat terrain. What a great way to promote fitness, family and fun!! For more information or to register for this event, go online at www.survivalcentury.com If you would like to sponsor the Art of Survival Bike Ride, please contact City Hall at 667-5522 for more information. This is a great opportunity to help continue the growth of this event and bring people to our areas.

New City Business

The City Council Members have passed a few new ordinances:

An amendment to Ordinance 8.08, **Public Nuisance and Recovery of Costs**, was adopted on Dec 1, 2015.

On January 19, 2016 the following Ordinances were adopted and passed:

Ordinance 17.52 **Prohibition of Marijuana Cultivation**

Ordinance 8.20.010 **Public Smoking of Marijuana**

Ordinance 8.30.010 **Marijuana Dispensaries**

And Ordinance 8.40.010 **Marijuana Deliveries**

If you are interested in reading these ordinances, they are posted at City Hall; some on the door and, due to limited space, the others are on the bulletin board inside.

Dog Licenses

Just a reminder to all of our dog owners that you need to purchase a dog license from City Hall. If your dog is 8 months or older and you reside within the City of Tulelake, you need to have your dog vaccinated against rabies and licensed. Dog License Fees are as follows: \$12 for Unaltered pets, \$7 for spayed or neutered pets and if you are over 60 your fee is \$5 for each license. Please bring your proof of vaccination with you when you come in. For the safety of your dog and the public, please keep your dog on a leash!

Sewer Rate Increase

A public meeting was held at City Hall on December 1, 2015 regarding proposed changes to the sewer rates. The rate increase will help cover the costs of the new Wastewater Treatment Plant. Starting July 1, 2016 you will see an increase of \$6.60 on your utility bill. The sewer rate is changing from \$38.40 to \$45.00.

COUNCIL MEMBERS CORNER

Residents are reminded that if you have a sewer problem to call the Public Works Department. A Public Works employee will check the City sewer line and if it is the City's blockage it will save you the trouble of having to call a plumber. Remember, always call the City first before contacting a plumber.

The wastewater project is moving right along and with warmer weather coming, we should see an increase in activity at the plant. Our Director of Public Works, Brett Nystrom, has really been on top of things and doing a great job keeping the pressure applied and the project moving forward.

I hope that everyone has been surviving the winter and we are grateful for the moisture we have received. -Mayor Hank Ebinger
