"Snow falling soundlessly in the middle of the night will always fill my heart with sweet clarity."

CORNERSTONE SENIOR ADVOCACY

Cornerstone Senior Advocacy is hosting monthly meals at City Hall on the third Monday of each month from 11:00am to 2:00pm with an activity. December 16th will be a White Elephant gift exchange and a roast beef dinner. Come by and share some good food and conversation with other seniors.

In Greek mythology, Hades kidnapped Persephone to be his wife. Zeus ordered Hades to return her to Demeter, the goddess of the Earth and her mother. Hades tricked Persephone into eating the food of the dead, so Zeus decreed that she spend six months with Demeter and six months with Hades. During the time her daughter is with Hades, Demeter became depressed and caused winter.

Cold weather brings people together, we yearn for warmth, love and connection. The holidays deliver big family meals, endless gratitude, and it just seems like time moves a little bit slower than usual. When the first winter breeze blows through the trees you can feel the magic in the air.

COUNCIL MEMBER CORNER

Happy Holidays Tulelake, the fall harvest is complete and as we prepare for winter there is an abundance of activities yet to come. Join the Revitalization Committee and Cornerstone Senior Advocacy as they prepare to light up Main Street with the Jolly Holiday Parade and tree lighting on Monday December 9th at Veterans Park. I have it on good authority that a Jolly old Elf will arrive on the firetruck with stories and goodies for all. Our Christmas decorating contest is also happening so light up the town. Please remember to be kind to each other as not everyone finds the holidays easy to get through. Reach out to family, friends and especially our seniors who are often alone and shut in. A small gesture of kindness, a smile or a shared treat go a long way to make the season bright. It is the most wonderful time of the year so be kind, spread joy and God bless one and all. - Mayor Cordonier

LIBRARY NEWS

I will be leaving my job at the library in the middle of December. I would like to take this opportunity to thank all the people that have come through the doors of our library over the last nine and a half years. I have truly enjoyed welcoming them into the library space and doing what I could to help find out what they needed or were looking for. Always remember, "Library doors are a gateway to anywhere". If you are interested in applying for the Library Branch Manager position, please inquire at City Hall for the job description and requirements. Thank you!
