ART OF SURVIVAL CENTURY BIKE RIDE

The 12th Annual **Art of Survival Century and Gravel Grinder Bicycle Ride** event isn't just about pedaling a road or mountain bike through beautiful stretches of the countryside. It's also an opportunity to learn about a region that includes Southern Oregon's Klamath Basin and Northern California's Tulelake Basin and Butte Valley area. What is unique about this event—which is a ride, not a race—is that each rest stop offers an educational component highlighting the geology of the area, cultural history, geography, and environmental issues; along with providing fluids and nutritious snacks.

Online registration closes May 19th at midnight; however you may register on the day of the ride. On-site registration fees increase by \$10.

This is an inclusive event. All are welcome here and we can't wait to meet you. Ride with us once, and you are forever part of the Survival Century family.

Spring: a lovely reminder of how beautiful change can truly be.

COUNCIL MEMBER CORNER

Happy New Year and Happy Spring to all. Looking around town you might say, SPRING, well yes, it officially begins in three weeks. Soon the snow will melt and give way to a new planting season and new growth. A special shout out to Jose Perez and his Public Works team for all the long hours and diligent work they put in clearing snow, helping neighbors dig out and pull stuck vehicles, including our City garbage truck. A big thanks also to our Police Department and City Hall Staff for checking on and responding to our senior community during the snow storm. A big thanks to Kailee Wood and Cornerstone Senior Advocacy for tracking down food, blankets, and fuel to help our neighbors during the recent storm. This is what makes Tulelake such a great place to live; for instance, neighbors coming together in times of need. As Spring comes, so does change and there are plenty of changes in the works for Tulelake. The Library has many new and exciting upcoming programs for all ages. Days of operation during April will be changing to better serve the community.

As the newest member of the City Council, I look forward to working with City Staff and other Council Members; as well as, Jess Harris, our newly elected Siskiyou County Supervisor, to improve life in Tulelake. Stay safe, get involved, and smile; it makes the world a better place for all.

-Margie Cordonier
