COUNCIL MEMBER CORNER

Spring has sprung and summer is upon us. After a brutal winter and a blustery spring, it's wonderful to see all the farming activity around town and the flowering gardens and trees. Also blooming are an abundance of weeds and the piles of debris from our blustery weather. Please be sure to do your part to keep our City clean and safe from fire by getting rid of yard waste and weeds. Summers approach also means our children are out of school, so drive safely and slowly around town, stopping at occupied crosswalks and street corners. There are multiple activities around town during the summer from weekly story time, crafts and reading clubs for all ages at our library, fireworks on the 4th of July in Malin and our annual Shindig at Otis Roper Park.

Our Cornerstone Senior group has stopped homebound meals due to lack of volunteers, but they are still offering their monthly senior luncheon on the 3rd Monday of each month. Stop by if you are 60+ and enjoy wonderful company, great food and an activity.

Have a safe and relaxing summer. Wave to a neighbor, share a smile or a word of encouragement. It will brighten your day and theirs, and will go a long way to make our community a happier place. See you around town!

-Council Member Margie Cordonier
