Charging of Loads by Weight

County reserves the right to weigh all waste and charges by the compacted per ton fee. Compacted waste fees will be charged when attendant estimates the density of waste is greater than 300lbs per cubic yard.

Charging of Loads by Volume

Gate attendants will estimate the load and calculate the disposal fees. Gate attendants will measure load if requested. Formula for measurements: length x width x height (in inches) equals volume in cubic inches. Volume is divided by 46,656 to obtain the volume in cubic yards.

Recycling

Recyclable items that are not prepared and separated appropriately are considered trash and will be charged accordingly.

Price Increase

The tonnage rates will increase \$2.00 per ton every year after the effective date of this ordinance. Loose and compacted waste charged by the cubic yard shall be increased in proportion to the weighed waste.

SECTION III: Constitutionality: If any section, sub-section, sentence, clause or phrase of this ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, sub-section, clause or phrase thereof, irrespective of the fact that any one or more sections, sub-sections, clauses or phrases be declared unconstitutional.

SECTION IV: This ordinance shall become effective 30 days after its passage and shall, within 15 days of adoption, be published once in the Siskiyou Daily News, a newspaper of general circulation, printed and published in the County of Siskiyou.
