**ANNUAL CHRISTMAS TREE LIGHTING**

This year we will be holding the Community Christmas Tree Lighting on Monday December 9, 2019, at 4:30 PM. Tulelake resident Greg Herman has graciously donated his time to cut down a tree for the community this year. It will again be set up in the middle of Main Street. Tulelake Junior and High School students will be decorating the trees again in Veterans Park. Winners will be chosen this year

by anonymous out-of-town judges, who will also be judging the lighting at participating community members homes this year in our SECOND Annual Community Christmas Lighting Contest. This year we are also inviting businesses to participate in the Christmas Lighting Contest! Don't forget to register your house or business for judging! Sign up at City Hall! Refreshments will be served by our local 4-H groups and Taquiera Mi Mexico will be selling desserts. The Tulelake Girl's Basketball Team will be serving hamburgers and hot dogs with chips and drinks for \$5.00. So come with a big appetite! Friends of the Library will be offering a fun craft for kids. Come out and make your very own ornament for your tree! Santa will be arriving around 5:00pm on a firetruck so be sure to have the kids here so they can all get a goodie bag as well as a picture with Santa and his helpers! Story time with Santa will be at 5:15pm. Don't forget that the 4-H club will be caroling on December 8th! Come out and support them!

**Winter Weather Tips:**

- \* Stay indoors during storms.
- \* Walk carefully on snowy, icy walkways.
- \* Avoid overexertion when shoveling snow. It's a workout so stretch before going outside.
- \* Change out of wet clothes. Wet clothing loses all of its insulating value and transmits the cold more rapidly. Stay Dry!
- \* Disconnect and drain all outside hoses and shut off outside water valves, if possible.
- \* Wrap water pipes, in unheated or unprotected spaces, with insulation sleeves.
- \* Drain your water pipes if your home will be unattended during cold periods.
- \* Make sure your furniture is not blocking your homes heating vents.
- \* Clear snow from the top of your car, headlights and windows before driving.
- \* Don't follow plow trucks too closely.
- \* Reduce speeds on snow and ice and increase your braking distance by leaving more room between you and other vehicles.
- \* If you must drive in bad weather, travel during the day & keep others informed of your schedule. Stay on the main roads and make sure you have a cold-weather kit in your car with the following items: blanket or sleeping bag, gloves, bottled water, folding shovel, flashlight, first aid kit, hard candy and a cell phone charger.

**COUNCIL MEMBERS CORNER**

Did I just hear a sleigh bell jingle? It could be Santa and his reindeer warming up for their Christmas rounds! Yes, soon it will be Christmas, but before then we have Thanksgiving to enjoy and share with family and friends. We all have much to be thankful for and when I look back I am particularly thankful for all that has been accomplished this year. We had a very successful summer for the kids, with Tiny Mighty & Strong. As well as the Tulelake Shindig, Tulelake Butte Valley Fair and a very well done Audio Tour of the Modoc Indian War and other historic sites. I'm also thankful for the great support given to schools and organizations throughout the year! Tulelake is truly a giving community. The hard work and support given by the organizations, helpers, and other supporters make these good causes successful! Don't forget mark your calendars and join us for our Christmas Tree Lightning on December 9 starting at 4:30 pm with a Holiday craft provided by Tulelake Library! So for myself, City Staff, and fellow Council Members, have a safe and very happy holiday season! Happy Thanksgiving, Merry Christmas, and have a healthy and Happy New Year! - Mayor, Hank
