### NEW HOME OWNERS

The City of Tulelake provides water, sewer and garbage service to all residents. If you are a new home or business owner you **MUST** apply for these services before water will be turned on or garbage will be collected. Even if you are not living there, you are still liable for the sewer fees because your home is connected to the city sewer lines. Fees will be assessed from the date escrow closed on the home or if you are doing an owner carry purchase, the day

### Revitalization Fundraising at City Fair Booth

Be sure to stop by and support us at the Tulelake-Butte Valley Fair. We will be raffling off great prizes in our quest to raise money for three remaining snowflake lights as well as fundraising for Revitalization and beautification projects for the City of Tulelake. A special Thank You to all of our Fair Booth donors who

help

**Don't forget that Tulelake has a website now, too. Go to**

**Tulelake Library News:**

We have just finished up another Summer Story time. Volunteers have come into Tuesday and, read stories to the kids. We have done fun crafts, like making slime and weaving bracelets, and had snacks ending with delicious ice cream sundaes! Summer has gone by fast! We are changing the process for using the public computers. Beginning in August, you will need a library card to log onto the computer. If you don't have a card, stop by the library and we will be happy to get you one! A big Thank You goes out to Woodhouse Farms, Boyd

**COUNCIL MEMBERS CORNER**

**Summer Greetings everyone, I hope that you have been enjoying your Summer, even**

**with the smoke from the fires and high temperatures that we have been experiencing. Our summers here are precious for us and I am sure all are taking advantage of the time to have plenty of family activities and adventures before school and Fall start. Our Water System project is progressing nicely toward conclusion and I am sure everyone has seen our beautiful newly painted water tower! The paint job has been needed for many years and is such an improvement! Our thanks to the crew who has done such a great job, and having to work in this temperature with smoke. You guys rock and we will enjoy the results and the improved facilities for many years to come. There is more great news in the City, we have gotten the Downtown Improvement Plan approved and we will be moving forward with that now and searching for Grants in order to accomplish our revitalization. We are also continuing with other activities and projects to help make Tulelake a great town to live in! A special shout out to the members of the Tulelake Revitalization Committee for all their great ideas and the hard work that they put into finding and supporting projects to improve our community, my deepest thanks for their efforts. They can always use more help and**
