We have had a fun Summer at the Library! We want to thank our generous sponsors,

Woodhouse Farms, Boyd Farms, Tulelake Jolly Kone and Tulelake Butte Valley Fair for their donations towards our Summer Reading Program. We had stories, crafts and prizes! **COUNCIL MEMBERS CORNER**

I trust that everyone is enjoying these Dog Days of summer and getting ready for the Tulelake-

Butte Valley Fair, which is just around the corner. This has been a nice summer so far with no smoke choking our beautiful Basin from wildfires.

We just had the Tulelake Shindig, which was a big hit this year, even after being re-scheduled due to a freak thunder storm! A big shout out to Lydia Gil and her helpers for doing such a great job with that!

Another big thank you to Siskiyou County Public Works for the great job they did rebuilding and paving Main Street past the High School and Ridgeview. Among other projects happening in the city, our Public Works Department has planted 6 new trees on Main Street, another step forward to beautifying our town. The Tulelake Police Department is in the process of removing abandoned and non-operating vehicles from our City streets, making for a much cleaner, safer, and overall improvement for Tulelake. And be sure to check out the new look in City Hall! New paint, carpeting, window coverings, and new desks has made for a much cleaner and brighter look which improves the work environment for our City Hall staff.

The kids are back in school so be careful to look out for them when they are walking to and from school.

I hope everyone enjoys the rest of the summer. Everyone stay healthy and safe and be sure to look for more information about our fall community events as well as our Christmas tree lighting.
