The City of Tulelake will be very strict on all fire hazards, health hazards and any public nuisances within the City. As the owner or tenant of a residence, you need to be diligent in keeping your property cleared of these hazards.

COUNCIL MEMBER CORNER

Greetings Tulelake! Spring is almost over and summer is around the corner! We have been blessed with a nice amount of moisture this winter, and for this we celebrate. I would like to take time to recognize and appreciate our hard working City employees. Our Public Works Crew have been outside in the bitter cold all winter long to keep our City up and running. Take some time to thank them if you see them out and about. Let's not forget our City Hall and Library staff either. Visit City Hall or the Library to let them know their hard work is appreciated. Words for thought: Be a people builder. Look for opportunities to encourage others to bring out the best in them. Enjoy this lovely spring we are experiencing and get ready for a hot summer! Join us at our City Council meetings to find out what great things are happening within our City. We always encourage constructive public participation.
